

emily swain

I am a seasoned graduate of ALRA whose first feature film was with multi award-winning actors Sir Michael Caine and Martin Landau. Since 2013, I have been involved in over 42 projects across stage and screen. In 2014 I joined the West End company of award-winning King Charles III at the Wyndham's Theatre, West End. I went on to tour this production around the UK and Sydney, Australia 2015-16 covering and playing the role of Camilla.
